

HIGHLAND PARK ELEMENTARY SCHOOL NEWSLETTER #9 May 2021

It is easy to see that summer is just around the corner, with the weather getting warmer each day. There are a number of reminders in this month's newsletter now that we are getting closer to the end of the year. I trust that all the moms will be properly spoiled this Mother's Day and that the fathers are patiently waiting for their turn next month!

We are now in the final stages of determining our projected enrolment for next year. It is imperative that we know of any plans you may have for next year that would change our student numbers in any manner. If you are planning to move, or know of anyone who is planning to do so themselves, (into or out of the community), please contact the school ASAP.

Happy Spring!!

Sincerely,

Rob Ellis
