- **Neighbourhood Road Safety / Cross Walk Guards and Parking Lot**

- See additional information in the [Principal's Report](#).
- Shelly has been in contact with the City of Armstrong and RCMP.
- City is conducting a road study of the Highland Park corridor.
 - Will look at amount of traffic, speed, needs for signage, and crosswalks among other things.
 - Upon completion, City will meet with Shelly with suggestions to increase safety.
- SD 83 policy allows for volunteer crossing guards on crosswalks immediately adjacent to school property. This includes the crosswalk across Wood Ave to the IPE grounds.
 - Policy allows for students to be involved.
 - HPE students may be too young.
 - Shelly reached out to PVSS to ask for student volunteers.
- Crosswalks on Wood Ave across Highland Park Drive and across Wood Ave to Adair are within jurisdiction of City of Armstrong and RCMP, not covered by school policy.
 - Crossing guards allowed with training.
 - Dependent on number of volunteers.
- Looking for more crossing guard volunteers. 20 minutes at start and end of day.
- RCMP will be train volunteers next week.
- Suggested that crossing guard across Wood Ave to IPE may encourage some parents park at IPE and have child cross on their own.
- Suggestions for increased driver awareness for pedestrian safety:

- Increased speed and school zone signage.
- “slow down” signs on grass – City concerned will cause distraction.
- Visual alert signage on sidewalk or side of road such as the green ones in the shape of child with flag.
- Flashing speed sign.
- Crosswalk lights.
- Painting crosswalk lines.
- Petition started by some Amstrong parents being presented at City meeting Monday June 16th.
- RCMP will be present in the parking lot and on Wood Ave to discourage speeding and encourage drivers to follow the no left turn sign.
- **Back to School BBQ**
 - September 18th
 - This year we charged a \$2 flat rate, as there was \$1000 provided from Feeding Futures. Unsure if we will be receiving again next year – Shelly looking into it.
- **Playground**
 - Kaltire grant provides money, another company provides material and install.
 - Would apply next year by February, and funds need to be used within 18 months.
 - HPE is identified by the Ministry of Education as needing a new playground. Timeline of 2 or 3 years.
 - Start with picking a structure/plan and fundraising to coordinate with timing of Ministry funding.
 - Shelly is applying for a \$10,000 grant from Drax to build a sidewalk on the west side of the school.
 - Kelsey Wagner volunteers to lead a playground subcommittee.

Next Meeting – September 10, 2025, at 2:30 pm
