

HIGHLAND PARK

ELEMENTARY SCHOOL

NEWSLETTER #10

June 2022

This will be our final Newsletter for the 2021-22 school year. It has been another challenging one for all, I'm sure!

Unfortunately, this is the time of year when we say goodbye to those staff members who will be leaving us at the end of the school year:

Ms. Scott	Ms. Campbell
Ms. Jacques	Ms. Novakowski
Ms. Lukas	Ms. K. Andersen
Ms. Iverson	Ms. Pobuda

I wish everyone all the best, and please don't hesitate to call the school should you have any questions.

Sincerely,

Rob Ellis

Kindergarten Registration

Kindergarten registration for the 2022-2023 school year began in October but we are still open for those who have not yet registered their child for the upcoming year. If you know of someone who has a soon-to-be kindergarten aged child and they have not yet registered the child, please let them know to come to the office to fill out the paper work.

Kindergarten Orientation

Our Kindergarten Orientation took place on Wednesday, June 1st. An information email was sent out to all registered families. If you should have any questions, please feel free to contact the school at 250-546-8723.

Grade 5 Celebration

On Wednesday, June 22nd the Grade 5's will be having a celebration in the gym with goodies and a movie. On the following day, June 23rd, we will have an end of the year assembly with a slide show and a special presentation to the Grade 5's at the end. The picture-wall will be set outside like last year so parents can take pictures with their child. The picture-wall will be available from 11:30 to 3:00.

Library

All library books are due back to the library the week of June 6th - 10th so that Miss Lee can organize the library and do inventory the following week. Please have your students return their books during their regular library block that week so we do not have to track them down with reminders! Lost or damaged books should also be paid for by this time. There may be a small prize for classes that get all their books in by the end of that week! 😊

GOAL 1 STATEMENT: Math: To improve student success in Math. foundational concepts and skills

GOAL 2 STATEMENT: Social Responsibility: Students will use communication and cooperation skills in a positive way to respond to anger and frustration. They will develop an understanding of accepted behaviours in different settings.

SWIMMING

So far the weather has been favorable for our swimmers, and there have been many happy faces returning from the pool. Thank you to the PAC for funding this activity for our students!

TRIATHLON

The Triathlon at our school is back! Mr. Byrnes and others have been working very hard to get this event up and running, and I know the Grade 4 and 5's are excited about testing their endurance this Friday! Pictures to follow!
